

## **Wine tasting**

Our chef, together with a sommelier and winemakers from the area, will propose dishes with the appropriate wine and explanations about the local products. You will discover unexpected flavours and contrasts, enriching your experience with interesting information and anecdotes ( price on demand ).

## **Visit a vineyard**

It is possible to have a guided tour of the more famous vineyards in the surrounding area. Chianti area, Antinori vineyard, which is a fascinating experience as the whole winery is underground .The cellars, the production etc. are all under the vineyard itself and are invisible above ground. You can visit the plant, have a winetasting and explanations about the particular wines produced. If you want to stay closer to the villa, there some delightful vineyards set in our typical Tuscan countryside only 20 mins. away ( price on demand ).
